STH 60 Construction Project Meeting
* Hosted by WI DOT *
April 11, 2024 from 4-6PM at the Village Municipal Complex.
Please consider attending to ask any questions you may have about the upcoming project.

Licensing season is upon us! Alcohol, Operator (Bartender), Cigarette/Tobacco, Hotel/Motel, and Tattoo/Body Piercing licenses expire annually on June 30th. Renewal information will be sent to those with existing licenses on file in April. New this year - The State of Wisconsin has made law changes to require those who sell vaping products are also required to get municipal licenses.
