

RESOLUTION #24-16

RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF \$5,695,000 GENERAL OBLIGATION PROMISSORY NOTES, SERIES 2024A

WHEREAS on May 14, 2024, the Village Board of the Village of Jackson, Washington County, Wisconsin (the "Village") adopted a resolution (the "Set Sale Resolution"), providing for the sale of General Obligation Promissory Notes (the "Notes") for public purposes, including paying the cost of remodeling the Community Center (the "Project");

WHEREAS the Village Board hereby finds and determines that the Project is within the Village's power to undertake and therefore serves a "public purpose" as that term is defined in Section 67.04(1)(b), Wisconsin Statutes;

WHEREAS the Village is authorized by the provisions of Section 67.12(12), Wisconsin Statutes, to borrow money and issue general obligation promissory notes for such public purposes;

WHEREAS pursuant to the Set Sale Resolution, the Village has directed Ehlers & Associates, Inc. ("Ehlers") to take the steps necessary to sell the Notes to pay the cost of the Project;

WHEREAS Ehlers, in consultation with the officials of the Village, prepared a Notice of Sale (a copy of which is attached hereto as Exhibit A and incorporated herein by this reference) setting forth the details of and the bid requirements for the Notes and indicating that the Notes would be offered for public sale on June 11, 2024;

WHEREAS the Village Clerk (in consultation with Ehlers) caused a form of notice of the sale to be published and/or announced and caused the Notice of Sale to be distributed to potential bidders offering the Notes for public sale on June 11, 2024;

WHEREAS the Village has duly received bids for the Notes as described on the Bid Tabulation attached hereto as Exhibit B and incorporated herein by this reference (the "Bid Tabulation"); and

WHEREAS it has been determined that the bid proposal (the "Proposal") submitted by the financial institution listed first on the Bid Tabulation fully complies with the bid requirements set forth in the Notice of Sale and is deemed to be the most advantageous to the Village. Ehlers has recommended that the Village accept the Proposal. A copy of said Proposal submitted by such institution (the "Purchaser") is attached hereto as Exhibit C and incorporated herein by this reference.

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Village that:

Section 1. Ratification of the Notice of Sale and Offering Materials. The Village Board hereby ratifies and approves the details of the Notes set forth in Exhibit A attached hereto as and for the details of the Notes. The Notice of Sale and any other offering materials prepared and circulated by Ehlers are hereby ratified and approved in all respects. All actions taken by officers of the Village and Ehlers in connection with the preparation and distribution of the Notice of Sale, and any other offering materials are hereby ratified and approved in all respects.

Section 1A. Authorization and Award of the Notes. For the purpose of paying the cost of the Project, there shall be borrowed pursuant to Section 67.12(12), Wisconsin Statutes, the principal sum of FIVE MILLION SIX HUNDRED NINETY-FIVE THOUSAND DOLLARS (\$5,695,000) from the Purchaser in accordance with the terms and conditions of the Proposal. The Proposal of the Purchaser offering to purchase the Notes for the sum set forth on the Proposal, plus accrued interest to the date of delivery, resulting in a true interest cost as set forth on the Proposal, is hereby accepted. The President and Village Clerk or other appropriate officers of the Village are authorized and directed to execute an acceptance of the Proposal on behalf of the Village. The good faith deposit of the Purchaser shall be applied in accordance with the Notice of Sale, and any good faith deposits submitted by unsuccessful bidders shall be promptly returned. The Notes shall bear interest at the rates set forth on the Proposal.

Section 2. Terms of the Notes. The Notes shall be designated "General Obligation Promissory Notes, Series 2024A"; shall be issued in the aggregate principal amount of \$5,695,000; shall be dated July 2, 2024; shall be in the denomination of \$5,000 or any integral multiple thereof; shall be numbered R-1 and upward; and shall bear interest at the rates per annum and mature on June 1 of each year, in the years and principal amounts as set forth on the Pricing Summary attached hereto as Exhibit D-1 and incorporated herein by this reference. Interest shall be payable semi-annually on June 1 and December 1 of each year commencing on June 1, 2025. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board. The schedule of principal and interest payments due on the Notes is set forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

Section 3. Redemption Provisions. The Notes maturing on June 1, 2033 and thereafter shall be subject to redemption prior to maturity, at the option of the Village, on June 1, 2032 or on any date thereafter. Said Notes shall be redeemable as a whole or in part, and if in part, from maturities selected by the Village, and within each maturity by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

The Proposal specifies that some of the Notes shall be subject to mandatory redemption. The terms of such mandatory redemption are set forth on an attachment hereto as Exhibit MRP and incorporated herein by this reference. Upon the optional redemption of any of the Notes subject to mandatory redemption, the principal amount of such Notes so redeemed shall be credited against the mandatory redemption payments established in Exhibit MRP for such Notes in such manner as the Village shall direct.

Section 4. Form of the Notes. The Notes shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Notes as the same becomes due, the full faith, credit and resources of the Village are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the Village a direct annual irrepealable tax in the years 2024 through 2043 for the payments due in the years 2025 through 2044 in the amounts set forth on the Schedule.

(B) Tax Collection. So long as any part of the principal of or interest on the Notes remains unpaid, the Village shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Notes, said tax shall be, from year to year, carried onto the tax roll of the Village and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the Village for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Notes when due, the requisite amounts shall be paid from other funds of the Village then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There shall be and there hereby is established in the treasury of the Village, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the Village may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for General Obligation Promissory Notes, Series 2024A" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Notes is fully paid or otherwise extinguished. There shall be deposited into the Debt Service Fund Account (i) all accrued interest received by the Village at the time of delivery of and payment for the Notes; (ii) any premium which may be received by the Village above the par value of the Notes and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Notes when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Notes when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Notes until all such principal and interest has been paid in full and the Notes canceled; provided (i) the funds to provide for each payment of principal of and interest on the Notes prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Notes may be used to reduce the next succeeding tax levy, or may, at the option of the Village, be invested by purchasing the Notes as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Notes have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the Village, unless the Village Board directs otherwise.

Section 7. Proceeds of the Notes; Segregated Borrowed Money Fund. The proceeds of the Notes (the "Note Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above) shall be deposited into a special fund (the "Borrowed Money Fund") separate and distinct from all other funds of the Village and disbursed solely for the purpose or purposes for which borrowed. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose or purposes for which the Notes have been issued have

been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose(s) shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the Village, charged with the responsibility for issuing the Notes, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Notes to the Purchaser which will permit the conclusion that the Notes are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The Village represents and covenants that the projects financed by the Notes and the ownership, management and use of the projects will not cause the Notes to be "private activity bonds" within the meaning of Section 141 of the Code. The Village further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Notes including, if applicable, the rebate requirements of Section 148(f) of the Code. The Village further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Notes) if taking, permitting or omitting to take such action would cause any of the Notes to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Notes to be included in the gross income of the recipients thereof for federal income tax purposes. The Village Clerk or other officer of the Village charged with the responsibility of issuing the Notes shall provide an appropriate certificate of the Village certifying that the Village can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The Village also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Notes provided that in meeting such requirements the Village will do so only to the extent consistent with the proceedings authorizing the Notes and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Execution of the Notes; Closing; Professional Services. The Notes shall be issued in printed form, executed on behalf of the Village by the manual or facsimile signatures of the President and Village Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the Village of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Notes may be imprinted on the Notes in lieu of the manual signature of the officer but, unless the Village has

contracted with a fiscal agent to authenticate the Notes, at least one of the signatures appearing on each Note shall be a manual signature. In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Notes and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The Village hereby authorizes the officers and agents of the Village to enter into, on its behalf, agreements and contracts in conjunction with the Notes, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Notes is hereby ratified and approved in all respects.

Section 11. Payment of the Notes; Fiscal Agent. The principal of and interest on the Notes shall be paid by Bond Trust Services Corporation, Roseville, Minnesota, which is hereby appointed as the Village's registrar and fiscal agent pursuant to the provisions of Section 67.10(2), Wisconsin Statutes (the "Fiscal Agent"). The Village hereby authorizes the President and Village Clerk or other appropriate officers of the Village to enter into a Fiscal Agency Agreement between the Village and the Fiscal Agent. Such contract may provide, among other things, for the performance by the Fiscal Agent of the functions listed in Wis. Stats. Sec. 67.10(2)(a) to (j), where applicable, with respect to the Notes.

Section 12. Persons Treated as Owners; Transfer of Notes. The Village shall cause books for the registration and for the transfer of the Notes to be kept by the Fiscal Agent. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the President and Village Clerk shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Note surrendered for transfer.

The Village shall cooperate in any such transfer, and the President and Village Clerk are authorized to execute any new Note or Notes necessary to effect any such transfer.

Section 13. Record Date. The 15th day of the calendar month next preceding each interest payment date shall be the record date for the Notes (the "Record Date"). Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the Village at the close of business on the Record Date.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the Village agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations, which the Village Clerk or other authorized representative of the Village is authorized and directed to execute and deliver to DTC on behalf of the Village to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the Village Clerk's office.

Section 15. Payment of Issuance Expenses. The Village authorizes the Purchaser to forward the amount of the proceeds of the Notes allocable to the payment of issuance expenses to a financial institution selected by Ehlers at Closing for further distribution as directed by Ehlers.

Section 16. Official Statement. The Village Board hereby approves the Preliminary Official Statement with respect to the Notes and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the Village in connection with the preparation of such Preliminary Official Statement and any addenda to it or final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate Village official shall certify the Preliminary Official Statement and any addenda or final Official Statement. The Village Clerk shall cause copies of the Preliminary Official Statement and any addenda or final Official Statement to be distributed to the Purchaser.

Section 17. Undertaking to Provide Continuing Disclosure. The Village hereby covenants and agrees, for the benefit of the owners of the Notes, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Notes or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the Village to comply with the provisions of the Undertaking shall not be an event of default with respect to the Notes).

To the extent required under the Rule, the President and Village Clerk, or other officer of the Village charged with the responsibility for issuing the Notes, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the Village's Undertaking.

Section 18. Record Book. The Village Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Notes in the Record Book.

Section 19. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Notes, the officers of the Village are authorized to take all actions necessary to obtain such municipal bond insurance. The President and Village Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the President and Village Clerk including provisions regarding restrictions on investment of Note proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Notes by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Note provided herein.

Section 20. Village Clerk. The Village Clerk position is expected to be vacant after June 30, 2024. For the avoidance of doubt, in the event that the office of Village Clerk shall become vacant, the powers and responsibilities assigned to the Village Clerk in this Resolution shall be performed by the Deputy Clerk during such vacancy.

Section 21. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the Village Board or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Adopted, approved and recorded June 11, 2024.

AUTHORITY; PURPOSE; SECURITY

The Notes are being issued pursuant to Section 67.12(12), Wisconsin Statutes, by the Village, for public purposes, including paying the cost of remodeling the Community Center. ADJUSTMENT OPTION

The Village reserves the right to increase or decrease the principal amount of the Notes on the day of sale, in increments of \$5,000 each. Increases or decreases may be made in any maturity. If any principal amounts are adjusted, the purchase price proposed will be adjusted to maintain the same gross spread per \$1,000.

TERM BOND OPTION

Bids for the Notes may contain a maturity schedule providing for any combination of serial bonds and term bonds, subject to mandatory redemption, so long as the amount of principal maturing or subject to mandatory redemption in each year conforms to the maturity schedule set forth above. All dates are inclusive.

INTEREST PAYMENT DATES AND RATES

Interest will be payable on June 1 and December 1 of each year, commencing June 1, 2025, to the registered owners of the Notes appearing of record in the bond register as of the close of business on the 15th day (whether or not a business day) of the immediately preceding month. Interest will be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to rules of the Municipal Securities Rulemaking Board. All Notes of the same maturity must bear interest from date of issue until paid at a single, uniform rate. Each rate must be expressed in an integral multiple of 5/100 or 1/8 of 1%.

BOOK-ENTRY-ONLY FORMAT

Unless otherwise specified by the purchaser, the Notes will be designated in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the Notes, and will be responsible for maintaining a book-entry system for recording the interests of its participants and the transfers of interests between its participants. The participants will be responsible for maintaining records regarding the beneficial interests of the individual purchasers of the Notes. So long as Cede & Co. is the registered owner of the Notes, all payments of principal and interest will be made to the depository which, in turn, will be obligated to remit such payments to its participants for subsequent disbursement to the beneficial owners of the Notes.

PAYING AGENT

The Village has selected Bond Trust Services Corporation, Roseville, Minnesota ("BTSC"), to act as paying agent (the "Paying Agent"). BTSC and Ehlers are affiliate companies. The Village will pay the charges for Paying Agent services. The Village reserves the right to remove the Paying Agent and to appoint a successor.

OPTIONAL REDEMPTION

At the option of the Village, the Notes maturing on or after June 1, 2033 shall be subject to optional redemption prior to maturity on June 1, 2032 or any date thereafter, at a price of par plus accrued interest to the date of optional redemption.

Redemption may be in whole or in part of the Notes subject to prepayment. If redemption is in part, the selection of the amounts and maturities of the Notes to be redeemed shall be at the discretion of the Village. If only part of the Notes having a common maturity date are called for redemption, then the Village or Paying Agent, if any, will notify DTC of the particular amount of such maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interest in such maturity to be redeemed.

Notice of such call shall be given by sending a notice by registered or certified mail, facsimile or electronic transmission, overnight delivery service or in any other manner required by DTC, not less than 30 days nor more than 60 days prior to the date fixed for redemption to the registered owner of each Note to be redeemed at the address shown on the registration books.

DELIVERY

On or about July 2, 2024, the Notes will be delivered without cost to the winning bidder at DTC. On the day of closing, the Village will furnish to the winning bidder the opinion of bond counsel hereinafter described, an arbitrage certification, and certificates verifying that no litigation in any manner questioning the validity of the Notes is then pending or, to the best knowledge of officers of the Village, threatened. Payment for the Notes must be received by the Village at its designated depository on the date of closing in immediately available funds.

LEGAL MATTERS

An opinion as to the validity of the Notes and the exemption from federal taxation of the interest thereon will be furnished by Quarles & Brady LLP, Bond Counsel to the Village ("Bond Counsel"), and will be available at the time of delivery of the Notes. The legal opinion will be issued on the basis of existing law and will state that the Notes are valid and binding general obligations of the Village; provided that the rights of the owners of the Notes and the enforceability of the Notes may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights and by equitable principles (which may be applied in either a legal or equitable proceeding). (See "FORM OF LEGAL OPINION" found in Appendix B of the Preliminary Official Statement).

Quarles & Brady LLP has also been retained by the Village to serve as Disclosure Counsel to the Village with respect to the Notes. Although, as Disclosure Counsel to the Village, Quarles & Brady LLP has assisted the Village with certain disclosure matters, Quarles & Brady LLP has not undertaken to independently verify the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Notes and assumes no responsibility whatsoever nor shall have any liability to any other party for the statements or information contained or incorporated by reference in the Official Statement. Further, Quarles & Brady LLP makes no representation as to the suitability of the Notes for any investor.

SUBMISSION OF BIDS

Bids must not be for less than \$5,702,812.50, nor more than \$6,237,000 plus accrued interest on the principal sum of \$5,775,000 from date of original issue of the Notes to date of delivery. Prior to the time established above for the opening of bids, interested parties may submit a bid as follows:

- 1) Electronically to bondsale@ehlers-inc.com; or
- 2) Electronically via **PARITY** in accordance with this Notice of Sale until 10:00 A.M. Central Time, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in **PARITY** conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about **PARITY**, potential bidders may contact IHS Markit (now part of S&P Global) at <https://ihsmarkit.com/products/municipal-issuance.html> or via telephone (844) 301-7334.

Bids must be submitted to Ehlers via one of the methods described above and must be received prior to the time established above for the opening of bids. Each bid must be unconditional except as to legality. Neither the Village nor Ehlers shall be responsible for any failure to receive a submission.

A good faith deposit ("Deposit") in the amount of \$115,500 shall be made by the winning bidder by wire transfer of funds. Such Deposit shall be received by Ehlers no later than two hours after the bid opening time. Wire transfer instructions will be provided to the winning bidder by Ehlers after the tabulation of bids. The Village reserves the right to award the Notes to a winning bidder whose wire transfer is initiated but not received by such time provided that such winning bidder's federal wire reference number has been received by such time. In the event the Deposit is not received as provided above, the Village may award the Notes to the bidder submitting the next best bid provided such bidder agrees to such award. The Deposit will be retained by the Village as liquidated damages if the bid is accepted and the Purchaser fails to comply therewith.

The Village and the winning bidder who chooses to so wire the Deposit hereby agree irrevocably that Ehlers shall be the escrow holder of the Deposit wired to such account subject only to these conditions and duties: 1) All income earned thereon shall be retained by the escrow holder as payment for its expenses; 2) If the bid is not accepted, Ehlers shall, at its expense, promptly return the Deposit amount to the winning bidder; 3) If the bid is accepted, the Deposit shall be returned to the winning bidder at the closing; 4) Ehlers shall bear all costs of maintaining the escrow account and returning the funds to the winning bidder; 5) Ehlers shall not be an insurer of the Deposit amount and shall have no liability hereunder except if it willfully fails to perform or recklessly disregards, its duties specified herein; and 6) FDIC insurance on deposits within the escrow account shall be limited to \$250,000 per bidder.

No bid can be withdrawn after the time set for receiving bids unless the meeting of the Village scheduled for award of the Notes is adjourned, recessed, or continued to another date without award of the Notes having been made.

AWARD

The Notes will be awarded to the bidder offering the lowest interest rate to be determined on a True Interest Cost (TIC) basis. The Village's computation of the interest rate of each bid, in accordance with customary practice, will be controlling. In the event of a tie, the sale of the Notes will be awarded by lot. The Village reserves the right to reject any and all bids and to waive any informality in any bid.

BOND INSURANCE

If the Notes are qualified for any bond insurance policy, the purchase of such policy shall be at the sole option and expense of the winning bidder. Any cost for such insurance policy is to be paid by the winning bidder, except that, if the Village requested and received a rating on the Notes from a rating agency, the Village will pay that rating fee. Any rating agency fees not requested by the Village are the responsibility of the winning bidder.

Failure of the municipal bond insurer to issue the policy after the Notes are awarded to the winning bidder shall not constitute cause for failure or refusal by the winning bidder to accept delivery of the Notes.

CUSIP NUMBERS

The Village will assume no obligation for the assignment or printing of CUSIP numbers on the Notes or for the correctness of any numbers printed thereon, but will permit such numbers to be printed at the expense of the winning bidder, if the winning bidder waives any delay in delivery occasioned thereby.

NOT QUALIFIED TAX-EXEMPT OBLIGATIONS

The Notes shall not be "qualified tax-exempt obligations" pursuant to Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

CONTINUING DISCLOSURE

In order to assist the Underwriter (Syndicate Manager) in complying with the provisions of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934 the Village will enter into an undertaking for the benefit of the holders of the Notes. A description of the details and terms of the undertaking is set forth in Appendix D of the Official Statement.

NEW ISSUE PRICING

The winning bidder will be required to provide, in a timely manner, certain information necessary to compute the yield on the Notes pursuant to the provisions of the Internal Revenue Code of 1986, as amended, and to provide a certificate which will be provided by Bond Counsel upon request.

(a) The winning bidder shall assist the Village in establishing the issue price of the Notes and shall execute and deliver to the Village at closing an "issue price" or similar certificate satisfactory to Bond Counsel setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Notes, together with the supporting pricing wires or equivalent communications. All actions to be taken by the Village under this Notice of Sale to establish the issue price of the Notes may be taken on behalf of the Village by the Village's municipal advisor identified herein and any notice or report to be provided to the Village may be provided to the Village's municipal advisor.

(b) The Village intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Notes) will apply to the initial sale of the Notes (the "competitive sale requirements") because:

- (1) The Village shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential investors;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the Village may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the Village anticipates awarding the sale of the Notes to the bidder who submits a firm offer to purchase the Notes at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Notes, as specified in this bid.

(c) If all of the requirements of a "competitive sale" are not satisfied, the Village shall advise the winning bidder of such fact prior to the time of award of the sale of the Notes to the winning bidder. In such event, any bid submitted will not be subject to cancellation or withdrawal and the Village agrees to use the rule selected by the winning bidder on its bid form to determine the issue price for the Notes. On its bid form, each bidder must select one of the following two rules for determining the issue price of the Notes: (1) the first price at which 10% of a maturity of the Notes (the "10% test") is sold to the public as the issue price of that maturity or (2) the initial offering price to the public as of the sale date as the issue price of each maturity of the Notes (the "hold-the-offering-price rule").

(d) If all of the requirements of a "competitive sale" are not satisfied and the winning bidder selects the hold-the-offering-price rule, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Notes to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Notes, that the underwriters will neither offer nor sell unsold Notes of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Notes to the public at a price that is no higher than the initial offering price to the public.

The winning bidder will advise the Village promptly after the close of the fifth (5th) business day after the sale whether it has sold 10% of that maturity of the Notes to the public at a price that is no higher than the initial offering price to the public.

The Village acknowledges that in making the representation set forth above, the winning bidder will rely on:

(i) the agreement of each underwriter to comply with requirements for establishing issue price of the Notes, including, but not limited to, its agreement to comply with the hold-the-price rule, if applicable to the Notes, as set forth in an agreement among underwriters and the related pricing wires,

(ii) in the event a selling group has been created in connection with the initial sale of the Notes to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Notes, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Notes, as set forth in a selling group agreement and the related pricing wires, and

(iii) in the event that an underwriter or dealer who is a member of the selling group is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Notes to the public, the agreement of each broker-dealer that is party to such agreement to comply with the requirements for establishing issue price of the Notes, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Notes, as set forth in the third-party distribution agreement and the related pricing wires. The Village further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price rule of the Notes, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Notes, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Notes, including, but not limited to, its agreement to comply with the hold-the-offering-price rule as applicable to the Notes.

(e) If all of the requirements of a "competitive sale" are not satisfied and the winning bidder selects the 10% test, the winning bidder agrees to promptly report to the Village, Bond Counsel and Ehlers the prices at which the Notes have been sold to the public. That reporting obligation shall continue, whether or not the closing date has occurred, until either (i) all Notes of that maturity have been sold or (ii) the 10% test has been satisfied as to each maturity of the Notes, provided that, the winning bidder's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Village or bond counsel.

(f) By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is party to such third-party distribution agreement, as applicable, to:

(A) report the prices at which it sells to the public the unsold Notes of each maturity allocated to it, whether or not the Closing Date has occurred until either all securities of that maturity allocated to it have been sold or it is notified by the winning bidder that either the 10% test has been satisfied as to the Notes of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Village or bond counsel.

(B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and

(ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group and each broker dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Notes to the public to require each broker-dealer that is a party to such third-party distribution agreement to:

(A) to promptly notify the winning bidder of any sales of Notes that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Notes to the public (each such term being used as defined below), and

(B) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder shall assume that each order submitted by the underwriter, dealer or broker-dealer is a sale to the public.

(g) Sales of any Notes to any person that is a related party to an underwriter participating in the initial sale of the Notes to the public (each term being used as defined below) shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (i) "public" means any person other than an underwriter or a related party,
- (ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the Village (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Notes to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Notes to the public),
- (iii) a purchaser of any of the Notes is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) "sale date" means the date that the Notes are awarded by the Village to the winning bidder.

FOR VALUE RECEIVED, the Village of Jackson, Washington County, Wisconsin (the "Village"), hereby acknowledges itself to owe and promises to pay to the Depository or its Nominee Name (the "Depository") identified above (or to registered assigns), on the maturity date identified above, the principal amount identified above, and to pay interest thereon at the rate of interest per annum identified above, all subject to the provisions set forth herein regarding redemption prior to maturity. Interest shall be payable semi-annually on June 1 and December 1 of each year commencing on June 1, 2025 until the aforesaid principal amount is paid in full. Both the principal of and interest on this Note are payable to the registered owner in lawful money of the United States. Interest payable on any interest payment date shall be paid by wire transfer to the Depository in whose name this Note is registered on the Bond Register maintained by Bond Trust Services Corporation, Roseville, Minnesota (the "Fiscal Agent") or any successor thereto at the close of business on the 15th day of the calendar month next preceding each interest payment date (the "Record Date"). This Note is payable as to principal upon presentation and surrender hereof at the office of the Fiscal Agent.

For the prompt payment of this Note together with interest hereon as aforesaid and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of the Village are hereby irrevocably pledged.

This Note is one of an issue of Notes aggregating the principal amount of \$5,695,000, all of which are of like tenor, except as to denomination, interest rate, maturity date and redemption provision, issued by the Village pursuant to the provisions of Section 67.12(12), Wisconsin Statutes, for public purposes, including paying the cost of remodeling the Community Center, as authorized by a resolution adopted on June 11, 2024 (the "Resolution"). Said Resolution is recorded in the official minutes of the Village Board for said date.

The Notes maturing on June 1, 2033 and thereafter are subject to redemption prior to maturity, at the option of the Village, on June 1, 2032 or on any date thereafter. Said Notes are redeemable as a whole or in part, and if in part, from maturities selected by the Village, and within each maturity by lot (as selected by the Depository), at the principal amount thereof, plus accrued interest to the date of redemption.

The Notes maturing in the year 2044 are subject to mandatory redemption by lot as provided in the Resolution referred to above, at the redemption price of par plus accrued interest to the date of redemption and without premium.

In the event the Notes are redeemed prior to maturity, as long as the Notes are in book-entry-only form, official notice of the redemption will be given by mailing a notice by registered or certified mail, overnight express delivery, facsimile transmission, electronic transmission or in any other manner required by the Depository, to the Depository not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. If less than all of the Notes of a maturity are to be called for redemption, the Notes of such maturity to be redeemed will be selected by lot. Such notice will include but not be limited to the following: the designation, date and maturities of the Notes called for redemption, CUSIP numbers, and the date of redemption. Any notice provided as described herein shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. The Notes shall cease to bear interest on the specified redemption date provided that federal or other immediately available funds sufficient for such redemption are on deposit at the office of the Depository at that time. Upon such deposit of funds for redemption the Notes shall no longer be deemed to be outstanding.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Note have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the Village, including this Note and others issued simultaneously herewith, does not exceed any limitation imposed by law or the Constitution of the State of Wisconsin; and that a direct annual irrepealable tax has been levied sufficient to pay this Note, together with the interest thereon, when and as payable.

This Note is transferable only upon the books of the Village kept for that purpose at the office of the Fiscal Agent, only in the event that the Depository does not continue to act as depository for the Notes, and the Village appoints another depository, upon surrender of the Note to the Fiscal Agent, by the registered owner in person or his duly authorized attorney, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Fiscal Agent duly executed by the registered owner or his duly authorized attorney. Thereupon a new fully registered Note in the same aggregate principal amount shall be issued to the new depository in exchange therefor and upon the payment of a charge sufficient to reimburse the Village for any tax, fee or other governmental charge required to be paid with respect to such registration. The Fiscal Agent shall not be obliged to make any transfer of the Notes (i) after the Record Date, (ii) during the fifteen (15) calendar days preceding the date of any publication of notice of any proposed redemption of the Notes, or (iii) with respect to any particular Note, after such Note has been called for redemption. The Fiscal Agent and Village may treat and consider the Depository in whose name this Note is registered as the absolute owner hereof for the

purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever. The Notes are issuable solely as negotiable, fully-registered Notes without coupons in the denomination of \$5,000 or any integral multiple thereof.

This Note shall not be valid or obligatory for any purpose until the Certificate of Authentication hereon shall have been signed by the Fiscal Agent.

No delay or omission on the part of the owner hereof to exercise any right hereunder shall impair such right or be considered as a waiver thereof or as a waiver of or acquiescence in any default hereunder.

IN WITNESS WHEREOF, the Village of Jackson, Washington County, Wisconsin, by its governing body, has caused this Note to be executed for it and in its name by the manual or facsimile signatures of its duly qualified President and Village Clerk; and to be sealed with its official or corporate seal, if any, all as of the original date of issue specified above.
