RE: STH 60 Utility Project Construction Update

DATE: April 20, 2023

- 1) General Work hours of project will be 7:00 AM to 7:00 PM.
- 2) Project Work Zone: Industrial Drive to Ridgeway Drive, and south on Jackson Drive.

What's completed: M & E Construction continues the replacement of sanitary laterals throughout the project area. We have 37 out of 67 sanitary sewer laterals completed. The sanitary sewer main installation is in the final stages of completion East of the RR tracks.

What's happening next: M & E Construction continues with sanitary lateral replacements. If you see a flyer at your front door, please call the number to make an appointment or talk to the onsite inspector. Since, the sanitary sewer main line installation is complete in Main Street. The crew will work on sanitary laterals that need open cutting. Jackson Drive intersection is open with limited access. Access to Main Street Market, Jackson Family Dental, Schmidt Funeral Home, and Coffeerville is still easier entering from the east at Ridgeway Drive. Safety is important for you and the workers during the day, so please use the detour route when possible.
