RE: STH 60 Utility Project Construction Update

DATE: March 24, 2023

- 1) General Work hours of project will be 7:00 AM to 7:00 PM.
- 2) Project Work Zone: Industrial Drive to Ridgeway Drive, and south on Jackson Drive.

What's completed: M & E Construction has started the replacement of sanitary laterals on the west end of the project from Industrial Dr. to Western Ave. Seven (7) sanitary laterals were completed and property inspections are still underway. The detour route is activated, and signs have been adjusted for better visibility for drivers. The sanitary sewer main installation work is now occurring near Schmidt Funeral Home (N168 W20135 Main Street) and access may be limited or delayed to local traffic. Motorists may now access Main Street Market and Coffeerville Co. from Ridgeway Drive.

What's happening next: M & E Construction continue with sanitary lateral replacements. Residents living within the limits of the work zone may see a flyer reminding them to make an appointment or talk to the on-site inspector. The sanitary sewer main line installation will continue west to Jackson Drive.
