

Taking the lead in Washington County.

STH 60 Utility Project Construction Update

TO: Village of Jackson Community Members

FROM: Project Management Team

RE: STH 60 Utility Project Construction Update

DATE: March 31, 2023

- 1) General Work hours of project will be 7:00 AM to 7:00 PM.
- 2) Project Work Zone: Industrial Drive to Ridgeway Drive, and south on Jackson Drive.

What's completed: M & E Construction continues replacing the sanitary laterals on the west end of the project from Industrial Drive to Center Street. Thus far, 12 sanitary laterals have been replaced. The contractor is still conducting property inspections prior to pipe burst the sanitary lateral. The detour route is activated, and signs have been adjusted for better visibility for drivers. The sanitary sewer main installation is in front of N168 W20284-88 Main Street. Due to the weather, both Contractors have stopped working, and will start again on Monday, April 3rd. To access Main Street Market, Jackson Family Dental, Schmidt Funeral Home, and Coffeerville traffic shall enter from the east end of the project at Ridgeway Drive and STH 60.

What's happening next: M & E Construction will continue sanitary lateral replacement. If you see a flyer at your front door, please call the number to make an appointment or talk to the onsite inspector. The sanitary sewer main line installation will continue west on Main Street to Jackson Drive. Starting on Monday, April 3rd the intersection of Jackson Drive and STH 60 will have limited access, so please find a different route.

Project Schedule Summary:

Village of Jackson Hwy 60 Upgrades	Weeks																	
	13-Feb	20-Feb	27-Feb	6-Mar	13-Mar	20-Mar	27-Mar	3-Apr	10-Apr	17-Apr	24-Apr	1-May	8-May	15-May	22-May	29-May	5-Jun
