# STH 60 Utility Project Construction Update

TO: Village of Jackson Community Members

FROM: Project Management Team

RE: STH 60 Utility Project Construction Update

DATE: April 27, 2023

- 1) General Work hours of project will be 7:00 AM to 7:00 PM.
- 2) Project Work Zone: Industrial Drive to Ridgeway Drive, and south on Jackson Drive.

**What's completed:** M & E Construction paused this week on replacement of sanitary laterals throughout the project area. Advanced Construction installed the sanitary laterals where digging was necessary. We have 41 out of 67 sanitary sewer laterals completed.

**What's happening next:** M & E Construction continues with sanitary lateral replacements. If you see a flyer at your front door, please call the number to make an appointment or talk to the onsite inspector. The Advanced Construction crew will work on sanitary laterals that need open cutting. A second crew will be working on manhole adjustments throughout the project. Jackson Drive intersection is open with limited access. Access to Main Street Market, Jackson Family Dental, Schmidt Funeral Home, and Coffeerville can be achieved either from Jackson Drive and Ridgeway Drive. Safety is important for you and the workers during the day, so please use the detour route when possible.
