RE: STH 60 Utility Project Construction Update

DATE: April 6, 2023

- 1) General Work hours of project will be 7:00 AM to 7:00 PM.
- 2) Project Work Zone: Industrial Drive to Ridgeway Drive, and south on Jackson Drive.

What's completed: M & E Construction continues the replacement of sanitary laterals mostly on the west end of the project from Industrial Dr. to Center St. Laterals to the east of the RR tracks on STH 60 have been replaced. The contractor is conducting property inspections prior to pipe burst the sanitary lateral. The sanitary sewer main installation is at Jackson Drive. To access Main Street Market, Jackson Family Dental, Schmidt Funeral Home, and Coffeerville, please enter from the east at Ridgeway Drive. Businesses located west of Jackson Drive please enter from the west starting at Center Street. Motorists as asked to please use the detour route when possible.

What's happening next: M & E Construction continues with sanitary lateral replacements. If you see a flyer at your front door, please call the number on the flyer to make an appointment or talk to the onsite inspector. The sanitary sewer main line installation will continue into the intersection of Jackson Drive. Staring on Monday, April 10th the intersection of Jackson Drive and STH 60 will be totally closed for the entire week. School and emergency traffic will only be allowed in the intersection during working hours. There will be limited access at night for local traffic. Motorists are asked to please find a different route, around the intersection.
