P: 262.677.0707 x511

PERMIT TO EXCAVATE **WITHIN PUBLIC STREET RIGHT-OF-WAY**

Permit required for: Gas Line, Telephone Line, Power Line, Cable TV Line, Sewer Line, Water Line, and Storm Sewer Line.

Applicant: _____

Address: _____

Location of Work: _____

Nature of Project: _____

Contractor: _____

Project Manager: _____

Telephone Number: _____

APPLICANT AGREES TO THE FOLLOWING:

1. Shall contact the Village by phone before beginning work.
2. Shall backfill with slurry material and meet Village compaction standards.
3. Shall bore all hard surface roads, except by special permission of the Village Engineer.
4. Shall minimize tracking of dirt onto public streets & to immediately clean-up any unavoidable tracking.
5. Shall always maintain two lanes of traffic, or to have a flagman present during traffic obstruction.
6. Shall restore all affected areas back to the conditions that existed before work was started. Restoration will be done as soon as reasonably possible.

The Village reserves the right to perform clean-up and/or restoration work for the applicant if said work has not been performed to the satisfaction of Village representatives. The applicant agrees to pay all costs associated with said work. Permit shall expire 12-months after the date of issuance.
